<p>Following the success of the Ready to Work workshops in December and March, we have booked Barbara Strong, the presenter, to do a block of 4 sessions with parents. Hate filling in application forms? Don't like your CV? Trying to find a job but never hear back from anyone?</p> <p style="padding-left: 40px;">"I was out of work for over 8 years as a single mum on benefits. I know how hard it can be but I know from my own experiences and from working with over 3,000 other people in similar situations that you can overcome whatever is going on in your life right now and find work – even in a recession.
