

Dear Parents and Carers

APPOINTMENT OF NEW HEADTEACHER FROM SEPTEMBER 2011

Governors are delighted to announce we have appointed Dr Andrew Sievewright to be the school's new Headteacher. Dr Sievewright – or 'Andy' as he likes to be known – will start his post in September 2011. Neville Lassiter will continue as Acting Headteacher until then.

Andy Sievewright comes from Hamilton in Scotland and attended Glasgow University. He has a PhD in American Literature and is a keen footballer. He has previously taught for several years in north London and held senior school leadership roles in London and Hertfordshire. He was appointed from a strong field of candidates

Andy is looking forward to meeting parents and carers at the school. He has already started attending meetings and events here, so you may meet Andy in school before he starts full-time in September.

Governors wish Andy every success in his new role at Acton High School.

Yours sincerely

Guy Fiegehen

Chair of Governors
